Food Service Account Balances

Food service accounts should not end the year with negative balances! As of June 1st, any student who has a negative balance account will not be allowed to make any new charges for the remainder of the school year. Please make sure that your student's account is up to date and has sufficient funds to cover all meal, ice cream and snack charges through June 14th. All positive balances will be carried forward to the next school year and/or transferred up to the Middle School. To check your balance, please contact Meghan Persson, Doyon Food Service Manager, at 978-356-5506 x382.

Doyon School Art Exhibit

The annual Doyon School Art Exhibit will be held on Thursday, May 31st from 6:00 – 8:00 p.m.

Volunteers are needed to help hang art several days before the show. This can be done during school hours or later in the afternoon. If you can donate a little time and feel you have an artistic eye, please contact Linda Blum, Art Teacher, at 978-356-5506 x202. Your help would be very much appreciated.
